

MISSION: TRANSITION!

*Achieve your Airline Goals With
Liberty's Rotary Transition Program.*

Liberty University School of Aeronautics has created the first Rotary Transition Degree program. It's **100% online** and allows you to complete your flight training at one of our 65+ flight training affiliates nationwide. With this program, you'll be qualified for regional airline hire in a few short months, without forfeiting your regional airline hiring bonus!

LIBERTY | SCHOOL of
UNIVERSITY | AERONAUTICS
